

## Join us: photo petition to governor of Bali

Jan 20, 2014 Forum Rauchfrei

This is a call to action by Yosef and Max, who initiated the #dortmundkills petition: [<https://www.change.org/en-GB/petitions/no-cigarettes-for-children-stop-the-german-city-of-dortmund-s-tobacco-promotion-in-indonesia>]

**On 22nd January, we start a photo petition** to the Governor of Bali, where the trade fair takes place on 27th/28th February, if we don't stop it. We ask the governor to stop the trade fair in a last-minute decision. **Do you join us?**  
How it works:

1. Write your message „Governor of Bali: Stop the Inter-tabac ASIA 2014!“ – or download here: English or Bahasa Indonesian
2. Pose and take the picture.
3. With the Hashtag #dortmundkills [<https://twitter.com/search?q=%23dortmundkills&src=typd>], tweet the picture to @mangku\_pastika [[https://twitter.com/mangku\\_pastika](https://twitter.com/mangku_pastika)] or post here: [www.facebook.com/imademangkupastika](http://www.facebook.com/imademangkupastika) [<https://www.facebook.com/imademangkupastika>] – that are the accounts of the governor of Bali.

You don't have Facebook or Twitter? No problem: Send your photo to [fotopetition@dortmundkills.de](mailto:fotopetition@dortmundkills.de), we'll forward it to the governor.

Max and Yosef already took their pictures for the photo petition:

The social media protest goes on all around the globe.
